Update on extension to the Parish Cemetery Extension

We had lodged an application for planning
permission to extend the parish cemetery
as proposed on the green coloured area
marked on the plan in the front porch of
the Church.

An objection to the proposal was lodged
by Northern Ireland Water on the grounds
that a major water main passes through
parish property.

Due to the size of the water main there is a
12-meter exclusion zone on each side of
the mains. The exclusion zone prohibits
the extension of the Parish Cemetery as
planned.

Unfortunately, due to the presence of the
water main we have also lost a number of
proposed graves in the existing cemetery.

We have re-applied for a much smaller
extension of only a few graves but this
may not be financially viable.

We have proceed with the application for
planning for the Columbarium and expect
this to be through by the beginning of the
Autumn

Art and Christianity

The aim of the 3 monthly talks
beginning on 18th Sept 10am -12 noon
in the St Mochumma Room, is to
explore the development of Christian
Art through the ages.

The popularity of biblical subjects has
always attracted artists.
We will examine some of these images
and reflect on what they mean to us.

The first topic will be the
“Annunciation”,
this will be followed by the
“Visitation” on 10th Oct and
“The Nativity.” on 20th Nov

Presented by Mary McFadden

Tea and Coffee will be served from
10.00am at the beginning of each of
the monthly talks
